ELEWANA COLLECTION

HELLO

Many achievements. One passion for perfection.

Dear valued owners and partners,

The last few months of 2017 have given us many reasons to celebrate.

As well as an encouraging 20% year-on-year net profit growth in the third quarter of the year, we are pleased to reveal that a record 22 properties were recognised at the Condé Nast Traveler Readers' Choice Awards this year, with Naladhu Private Island Maldives chosen as #1 Best Resort in the World.

Our Founder, Chairman and CEO William E. (Bill) Heinecke was recently named HOTELS' Corporate Hotelier of the World 2017 - a crowning achievement of a lifetime devoted to hospitality, and testament to Minor Hotels' unique vision.

We are equally proud to announce AVANI Hotels & Resorts' first foray into Australasia with the launch of AVANI Metropolis Auckland Residences and AVANI Broadbeach Gold Coast Residences, as well as the brand's new additions in key markets - AVANI Hua Hin Resort & Villas and AVANI Sunset Coast Samui Resort & Villas in Thailand, and AVANI Fares Maldives Resort in the world's ultimate island destination.

Recently-announced partnerships also saw Tivoli Hotels & Resorts making its debut in the Middle East, AVANI Hotels & Resorts in North Africa, and Anantara in the emirate of Sharjah.

Finally, discover how we are repositioning some of our key assets to take advantage of significant upside potential, and find out the latest news from Elewana Collection.

As 2017 draws to a close, I wanted to take this opportunity to thank you for your invaluable partnership as we expand our brands and footprint globally. This has been one of the most exciting years in Minor Hotels' history, but there's no limit to what's yet to come.

I look forward to the opportunity of growing our business together with you in the new year.

STRONG PERFORMANCE IN 3Q17

Sound business and geographical diversification strategy, together with operational excellence and cost discipline, again demonstrated our resilience amidst fragile macro conditions in Thailand and some of our overseas markets.

In 3Q17, Minor Hotels' net profit experienced a 20% growth from 3Q16, mainly as a result of strong performance in Thailand, Brazil and Portugal, as well as robust sales momentum of Anantara Vacation Club (AVC) following the launch of its new sales model in 2015.

RevPar of owned hotels in Thailand increased by 11% year-on-year in 3Q17, driven primarily by our properties in Bangkok.

Our two Tivoli properties in Brazil continued to benefit from improving macro conditions and recent renovations, resulting in significant occupancy and RevPAR increases. In Portugal, the Tivoli portfolio achieved double-digit

RevPar growth - also as a result of renovations on the properties, as well as the strength of Portugal's high season.

Going into 2018, we remain confident in the performance of our portfolio. Our properties in Thailand are expected to continue to perform well, supported by long-term high tourist demand through and beyond the upcoming high season.

Both properties in Brazil are expected to sustain solid occupancy and ADR growth as a result of property renovations and improving macro conditions. We will continue investing in our refurbishment programme in Portugal during the course of the low season to capture upside and deliver performance in 2018.

We also expect residential sales and AVC to continue to boost revenue and earnings growth going forward.

AVANI HOTELS & RESORTS First foray into Australasia

New launches in Auckland and the Gold Coast mark AVANI Hotels & Resorts' first foray into Australasia. The introduction of residences to the portfolio widens the brand's appeal to both business and leisure travellers looking for an international upscale hotel experience with the comforts of home.

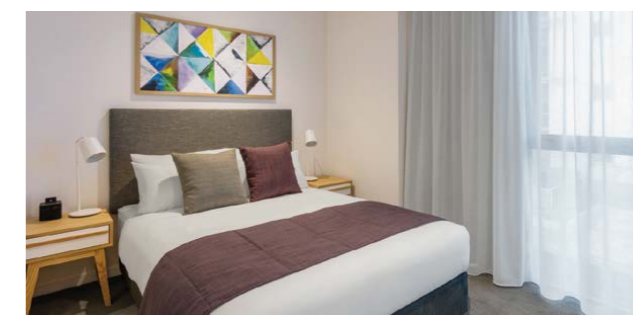

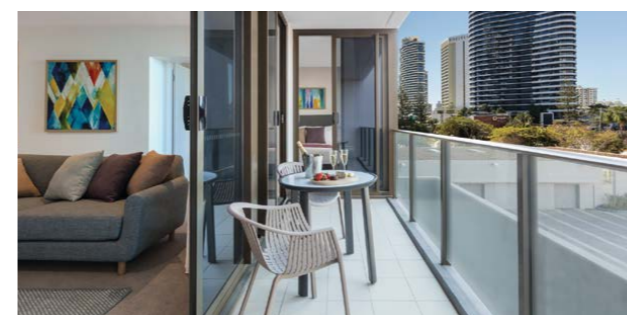

A HOME IN THE CITY OF SAILS AVANI Metropolis Auckland Residences

Located in the heart of Auckland and boasting views of Albert Park, the cityscape and the harbour beyond, **AVANI Metropolis Auckland Residences** offers 65 contemporary upscale one- and two-bedroom residences.

Guests also enjoy a range of leisure facilities - including an indoor swimming pool, Jacuzzi, sauna and gym - as well as easy access to Auckland's best restaurants, cafes, art galleries and markets.

LIVING LARGE ON THE GOLD COAST AVANI Broadbeach Gold Coast Residences

AVANI Broadbeach Gold Coast Residences features 219 sunny one- and two-bedroom suites in a new-build tower on Australia's favourite stretch of coastline.

17 km of golden sands unfold either side of the property, with upscale dining and entertainment options nearby.

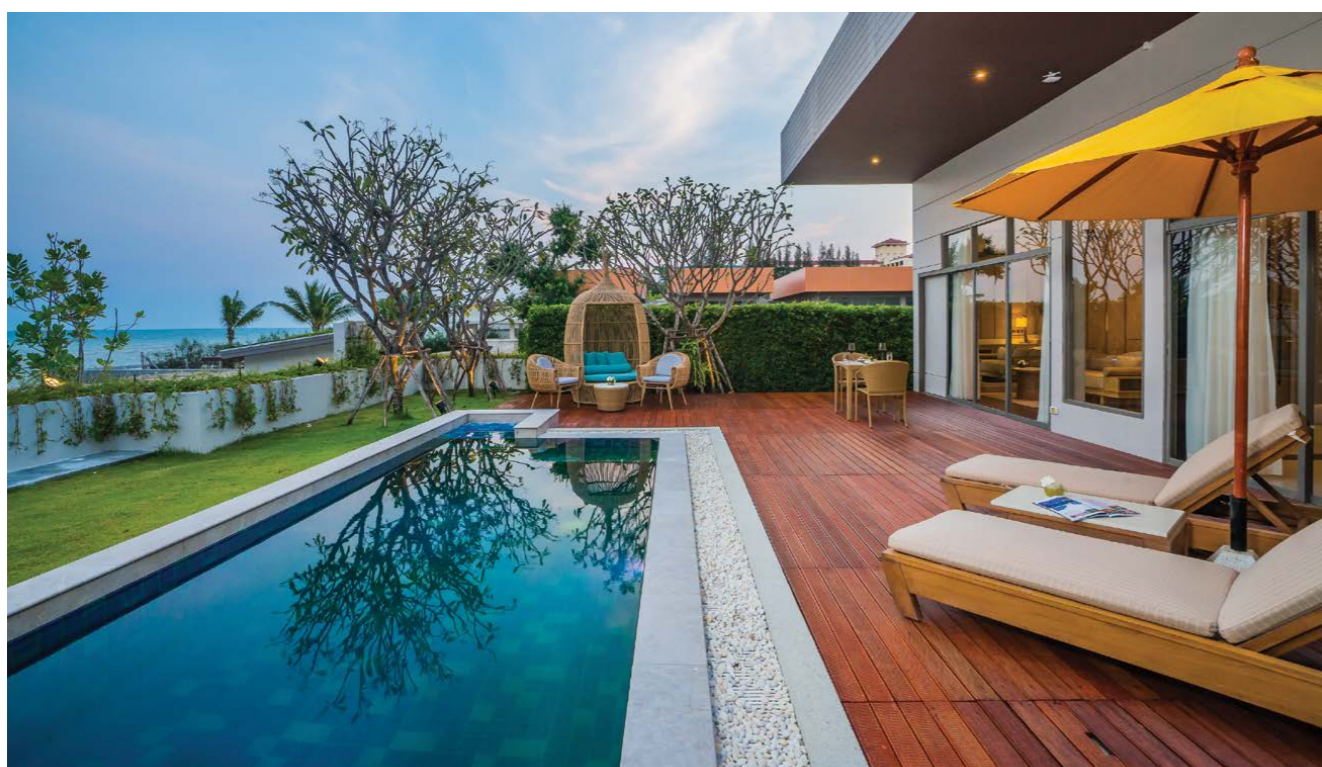

Both AVANI Metropolis Auckland Residences and AVANI Broadbeach Gold Coast Residences offer the brand's newly-launched Keys to the City experience, which connects guests with locals to uncover secret culinary, art and music destinations and one-of-a-kind outdoor adventures.

AN EXPANDING PORTFOLIO IN KEY MARKETS

Three recently-announced developments and joint ventures boost the presence of AVANI Hotels & Resorts - our fastest-growing brand - in our home market of Thailand, and the Maldives, a key Indian Ocean destination.

A SECLUDED BEACH ESCAPE IN HUA HIN

AVANI Hua Hin Resort & Villas

AVANI Hua Hin Resort & Villas is the result of a new joint venture partnership between Minor Hotels and B&G Park Co. Ltd. and represents an investment of USD 22.5 million by Minor Hotels. Formerly Ananda Hua Hin Resort & Spa, the beachfront property has been recently relaunched under the AVANI Hotels & Resorts brand.

In addition to 196 rooms, suites and pool villas, the property also features a Jazz Club, AVANISPA with an authentic hammam, a large lagoon swimming pool as well as an expansive 900 square metre ballroom - the largest event space in Hua Hin.

One of the oldest and most distinguished seaside retreats in Thailand, Hua Hin is a 2.5-hour drive, or 25-minute flight, south of Bangkok.

AN IDYLIC SAMUI PARADISE

AVANI Sunset Coast Samui Resort & Villas

Occupying an idyllic location within the enclave of Pang Kha Bay, a 40 minute drive from Samui International Airport, **AVANI Sunset Coast Samui Resort & Villas** is projected to open in September 2018.

Designed in contemporary tropical chic, the property boasts a collection of 25 stylish rooms with private balconies and 33 sea-facing, one- and two-bedroom villas with plunge pools.

A MALDIVIAN DEBUT FOR AVANI HOTELS & RESORTS

AVANI Fares Maldives Resort

Marking the brand's debut in the Maldives, **AVANI Fares Maldives Resort** is scheduled to open in Q4 2019 on a private 12-hectare island in the Baa Atoll. The USD 70-million development is a joint venture partnership between Minor Hotels and Cyprea Group.

The first phase of the property will comprise 200 rooms and villas, with an open-plan pavilion overlooking the ocean serving as the island hub. With spectacular reefs and a plethora of sea life, the nearby Ahivahfushi Beyru offers an amazing diving and snorkeling experience.

CEMENTING OUR FOOTPRINT In the Middle East and North Africa

Recently-announced partnerships saw the entry of three Minor Hotels brands into the Middle East and North Africa. Hot on the heels of the launch of Souq Waqif Boutique Hotels by Tivoli as the brand's inaugural property in Qatar, two further Tivoli hotels and an Oaks property will open in this growth market. In Tunisia, AVANI Hotels & Resorts will debut with two properties.

HERITAGE IN THE HEART OF QATAR

Tivoli Hotels & Resorts now operates Souq Waqif Boutique Hotels, one of the many assets managed by Katara Hospitality.

A unique collection of nine historic buildings, **Souq Waqif Boutique Hotels by Tivoli** is located close to Doha's Hamad International Airport, as well as major business districts. This represents only the first step in Minor Hotels' planned expansion of Tivoli Hotels & Resorts outside of its home markets of Portugal and Brazil.

Three new-build properties - also owned by Katara Hospitality - will also open in Qatar under the Tivoli Hotels & Resorts and Oaks Hotels & Resorts brands in 2018. **Tivoli Al Najada Doha Hotel** and **Oaks Al Najada Doha** are part of the same new development in downtown Doha, within easy walking distance of the new Msheireb district, Bank Street and the renowned Souq Waqif.

Launching in April 2018, Tivoli Al Najada Doha Hotel will feature 151 guest rooms and suites. Amongst the property's first-class facilities are alfresco dining options and an impressive ballroom with a capacity of 250 guests.

Also opening in April 2018, the adjacent Oaks Al Najada Doha offers 100 elegant serviced apartments which blend contemporary minimalist style with Arabian artistry. This will be the third Oaks property in the Middle East.

Souq Al Wakra Hotel Qatar by Tivoli blends artful tradition and top-end contemporary leisure in Souq Al Wakra, a seaside district 20 minutes from downtown Doha. The 101-key property comprises two former heritage houses, magnificently restored in classic Qatari style and inspired by Al Wakra's history as a pearling and fishing village. Facilities will include two restaurants, a shisha lounge overlooking the sea, majlis areas and Tivoli Spa and fitness.

COASTAL CHARM IN TUNISIA

AVANI Hotels & Resorts is set to debut in North Africa with two new properties in Tunisia, in partnership with Groupe Chaabane.

AVANI Les Berges Du Lac Tunis Suites will be opening shortly in a prime commercial, residential and diplomatic area in the Tunisian capital. The 41-key property will offer exclusive serviced apartment accommodation options ranging from studios to three-bedroom apartments and lofts, addressing corporate and extended-stay demands.

Currently in the design phase, **AVANI Gammarth Tunis Resort & Spa** is expected to open in 2021. Located 30 minutes from the city centre, Gammarth is an upmarket coastal resort area, catering to a mix of leisure, government, corporate and MICE demands. The property will offer 232 rooms and 18 private beach villas as part of a larger development that will include retail and entertainment zones.

A WEALTH OF LUXURIOUS EXPERIENCES IN THE UAE

We have signed a management agreement with Basma Group and ARADA for a new Anantara property in Sharjah in the United Arab Emirates.

Scheduled to open in 2020, the 233-key **Anantara Sharjah Resort** will be located on a prime beachfront location, approximately 30 minutes' drive from Dubai International Airport and 15 minutes' drive from Sharjah International Airport. The new-build resort will offer a selection of accommodation options including Deluxe Rooms and Luxury Suites.

There is a huge opportunity within the luxury segment in Sharjah, the UAE's third-largest emirate. Home to great beaches, Sharjah is well known for its commitment to art, culture and preserving the local heritage, with an impressive selection of museums, art galleries and beautifully restored traditional areas.

OPTIMISING OUR EXISTING ASSETS

From new suites to complete refurbishments, recent investments in key Anantara and AVANI assets in Thailand, Cambodia and Botswana demonstrate our commitment to create upside and boost future performance.

ANANTARA SIAM BANGKOK HOTEL

Anantara Siam Bangkok Hotel's new 42 square metre Deluxe and Premier rooms inject a fresh sense of luxury by infusing contemporary aesthetic with a subtle Thai character.

This refurbishment completes a THB 470 million investment that also saw an upgrade of the property's suites and public spaces, giving discerning leisure and business travellers alike an even more luxurious experience at Anantara's flagship in Thailand.

ANANTARA ANGKOR RESORT

Following its recent transformation to an all-suite property, **Anantara Angkor Resort** has now launched its top suite categories.

The two-bedroom Henri Mouhot Suite pays tribute to the French naturalist and explorer who alerted the West to the ruins of Angkor in 1860.

Inspired by the pioneering spirit of Jim Thompson, founder of the world-renowned Jim Thompson Thai Silk Company, the one-bedroom Anantara Explorer Suite is bedecked in colourful, contemporary silk.

Both suites have been meticulously crafted to bring a new level of luxury to Siem Reap.

ANANTARA LAWANA KOH SAMUI RESORT

After an extensive refurbishment, **Anantara Lawana Koh Samui Resort** will reopen in December 2017.

All of the property's 122 rooms and private pool villas have been enhanced to give their Sino-Thai traditional style a contemporary appeal.

The renovated beachfront infinity pool flows into the horizon, whilst the Anantara Spa features a newly landscaped courtyard garden. The property's restaurants - including the award-winning Tree Tops Sky Dining & Bar - have been given a sleeker look and feel, and the meeting facilities are now amongst the biggest and newest in Koh Samui.

AVANI GABORONE RESORT & CASINO

AVANI Gaborone Resort & Casino has been relaunched at the completion of an extensive BWP 79 million refurbishment to introduce AVANI Hotels & Resorts' signature design hallmarks to the property.

Renovated main areas include an open-plan lobby blending reception, lounge, eateries and chill-out spaces. Meeting facilities now feature a conference room for up to 500 guests and five seminar rooms. 156 guest rooms have been redesigned to maximise space and functionality and refitted with the latest technology.

WILLIAM E. HEINECKE: HOTELS' Corporate Hotelier of the World 2017

HOTELS magazine has celebrated its annual Hoteliers of the World Awards, with William E. Heinecke, Founder, Chairman and CEO of Minor International, being named Corporate Hotelier of the World for 2017.

Photo credit: Barry Williams Photography

Nominated as one of four finalists in the Corporate Hotelier category, Heinecke proudly accepted the award at a gala event in New York, where HOTELS celebrated both their Corporate and Independent Hotelier of The World award winners.

From humble beginnings in Thailand, Heinecke has spearheaded the growth of Minor Hotels - which now boasts a portfolio of innovative brands spanning over 150 hotels and resorts in 24 countries with a pipeline to venture into new destinations.

In this highly prestigious individual accolade, the self-taught and self-made billionaire was applauded for his life-long accomplishments, his pioneering, competitive and entrepreneurial spirit, as well as his passion for making a difference in Thailand and beyond.

Commenting on the award, Heinecke said, "I am truly honoured and humbled to receive this award and to have my name added to the incredible list of previous winners, a true roll-call of industry leaders and pioneers. I'm thrilled to play a role in such a dynamic industry. I'm still constantly learning, finding new ways of growing our business and to do it better - I certainly have no plans to hand over the reins at Minor just yet."

In his acceptance speech, Heinecke spoke of how the creation of Anantara Hotels, Resorts & Spas reflects his personal appreciation for authentic luxury in unique destinations. Heinecke's private passions are also richly evident in Minor's charitable endeavours, most notably the Heinecke Foundation's educational sponsorship of underprivileged children and the Golden Triangle Asian Elephant Foundation's efforts to help Thailand's elephant population.
